

ECLYPSE PLUS

UNIVERSAL RF CONTROL

Eclipse Plus leverages UEI's extremely popular Eclipse design and simplified setup features while adding the ability to provide RF control of ANY set-top box, whether it is a new STB with RF embedded or legacy equipment that is using an RF adapter. This enables an MSO to just carry this one remote and offer RF control to subscribers, regardless of which STB is involved.

COMMUNICATES TO STB DIRECTLY (IF IT HAS RF4CE EMBEDDED) OR THROUGH AN RF ADAPTER:

APPLICATIONS:

- o RF4CE STB with ZRC Profile
- o RF4CE STB with MSO Profile
- o RF4CE to Serial Adapter
- o RF4CE to IR Adapter
- o RF4CE to USB Adapter

ECLYPSE PLUS

FEATURES AT A GLANCE

- Controls up to 4 Devices
 - STB via RF or IR
 - TV
 - Blu-ray/DVD
 - Audio
- Control any RF4CE STB or Adapter
 - ZRC Profile RF4CE Control

 - Most Popular TV brands
- UEI QuickSwap
 - A single remote can support up to 4 different STB Vendors
- Full DVR/VOD Controls
- WATCH CABLE activity key
- Battery Door can be Secured
- Custom Logo
- 3 Customizable Keys
- Optional Backlighting
- Universal IR code database for Americas
- Simplified 3-Step Setup
 - Code Search
 - Volume Lock
 - Video Input Lock
 - Channel Lock

EFFORTLESS 3-STEP SETUP

UEI SimpleSet for Top Brands : Set up Eclipse for popular TV brands in 3 easy steps.

Step 1: Press SETUP

Step 2: Press TV Mode Key

Step 3: Press Digit Key for your TV Brand

TV	DIGIT
Insignia	1
LG	2
Mitsubishi	3
Panasonic	4
Philips/Magnavox	5
Samsung	6
Sharp	7
Sony	8
Toshiba	9
Vizio	0

Simple Code Search: Program Eclipse for any brand in 3 easy steps by following the setup instructions printed on battery door or in the manual.

Volume Lock: Volume control functions are locked to the TV but can be locked to AUDIO with a fast 3-step process.

Video Input Lock: Prevent accidental input switching on other devices by locking the VIDEO INPUT controls to a single device.

EASY TO USE

Less Keys, Less Confusion: By removing the least used keys from the design, Eclipse provides a simpler user interface compared to a typical 60+ key cable remote control.

WATCH TV Activity Key: Pressing the WATCH TV activity key will power-on all devices that you use when watching cable and will always put the remote into STB mode, ready to use.

SIMPLE TO SUPPORT

UEI QuickSwap: With UEI QuickSwap, one remote control SKU can be used to support as many as 4 different STB configurations. At installation, a simple key-press combination will quickly set the remote to any of your designated STB configurations.

EZ Updater Suite: Processing churn remotes becomes fast and efficient with the optional EZ Updater Hub, which supports code downloads from a PC to seven remotes with a single key-press and can be connected to Eclipse without removing the battery door.

ECLYPSE PLUS

MODEL NUMBER

- URC 2125BC0-BB

MATERIALS

- Plastic housing – ABS
- Keypad – silicon rubber/ABS

PACKAGING

- Each unit individually wrapped in polyethylene bag
- Each unit ships with one manual
- Units per case: 50

WARRANTY

- Mechanical: 36 months
- Silk-screen printing: 14 months

POWER SUPPLY

- 2 AA batteries (included)

TRANSMIT RANGE

IR

- Direct line of sight: 50 feet (15m)
- 35 degree angle: 20 feet (6m)

RF

- Open Field: 150 feet (45M)

ZIGBEE RF4CE PROFILES

- ZRC Profile
- MSO Profile

DIMENSIONS

- Length: 8.5 in (216 mm)
- Width: 2.3 in (59 mm)
- Depth: 1.2 in (30 mm)

INTERCEPT RF4CE ADAPTER

MODEL NUMBER

- URC 6252

PACKAGING

- 500 Units Per Carton

WARRANTY

- 36 Months

POWER

- 5V VDC

TRANSMIT RANGE

- 150 feet, open-field

DIMENSIONS

- Length: 2.83 in (72mm)
- Width: 1.06 in (27mm)
- Depth: 0.55 in (14mm)

About Universal Electronics Inc. Founded in 1986, Universal Electronics Inc. (UEI) is the global leader in wireless control technology for the connected home. UEI designs, develops, and delivers innovative solutions that enable consumers to control entertainment devices, digital media, and home systems. The company's broad portfolio of patented technologies and database of infrared control software have been adopted by many Fortune 500 companies in the consumer electronics, subscription broadcast, and computing industries. UEI sells and licenses wireless control products through distributors and retailers under the One For All® brand name. For additional information, please visit our website at www.uei.com
